OBJECTIVE

Computer Science graduate with hands-on experience in full-stack web development and freelance projects. Strong foundation in programming, database management, and software development, passionate about building scalable, user-focused applications and continuously learning modern technologies.

EDUCATION

2023 - 2026	Bachelor of Computer Science (BCS) / B.Sc. (ECS) Punyashlok Ahilyadevi Holkar Solapur University, Sangola College, Sangola GPA/SGPA : 9.42 Grade : A+
2022 - 2023	Higher Secondary Certificate (HSC – 12th) Vivek Vardhani Vidhalaya & Jr. College, Pandharpur Feb 2023 Score : 70.33%
2020 - 2021	Secondary School Certificate (SSC – 10th) Vivek Vardhani Vidhalaya, Pandharpur Mar 2021 Score : 86.40%

SKILLS

Programming Languages	Java, Python, JavaScript
Frontend	React.js, Tailwind CSS, Responsive Web Design
Backend	Node.js, Django, REST APIs
Databases	MySQL, SQL, Firebase, Appwrite
Tools & Platforms	Git, GitHub, VS Code, Appwrite
Core Strengths	Problem Solving, Effective Communication, Database Management
Core CS Fundamentals	OOPS, DBMS, Basic Computer Networks, Basic Cyber Security, MS-Office

PROJECTS

Real-Time Chat Application GitHub - https://github.com/aniket-g-3101/mysql_manager

Tech Stack : Firebase, JavaScript, Tailwind CSS, HTML

- Built a real-time chat application with Firebase Authentication and Cloud Firestore for secure user login and instant messaging.
- Designed a responsive interface with live message synchronization and serverless cloud data storage.

Voice-to-Code AI GitHub - https://github.com/aniket-g-3101/Chat_application

Tech Stack : React.js, Node.js, Express.js, Tailwind CSS, Groq AI API, Web Speech API

- Developed an AI-powered application that converts voice prompts into source code using speech recognition and AI.
- Integrated real-time voice input, AI-driven code generation, and syntax-highlighted output for an enhanced coding experience.

CERTIFICATES

- Google Cloud Skill Badges
- Microsoft Azure Fundamentals (AZ-900)

ACHIEVEMENTS

- Selected through TCS HackQuest, successfully qualifying coding and technical assessment rounds.
- Active participant in Google Cloud Arcade, completing 100+ hands-on labs and earning multiple skill badges.
- Graduated with a CGPA of 9.42, demonstrating consistent academic excellence.
